District during the year. The average number of vaccinations performed by each Vaccinator was 1,002 against 681 during 1927. Special attention continued to be paid to vaccinations of Adikarnatakas and Adidravidas and the total number of vaccinations performed among these in all the Districts except Kolar and Tumkur was 14,089 against 7,364 during the previous year.

4. *Small-pox.*—The total number of deaths from small-pox was 4,571 against 531 in 1927 giving a ratio of 0·77 against 0·09 during the previous year per mille of population. The largest number of deaths, *viz.*, 2,794 occurred in the Mysore District.

5. *Inspections.*—The total number of vaccination cases inspected by the District Sanitary Officers and the Taluk Sanitary Inspectors amounted to 11,006 and 42,146, respectively.

6. *Compulsory Vaccination.*—Compulsory vaccination remained in force in all the Municipalities in the State and in the area under the administration of the Kolar Gold Field Sanitary Board. The question of enforcing vaccination throughout the State is engaging the consideration of Government. The attention of all the Municipal Councils is invited to the Sanitary Commissioner's remarks that " in order to facilitate the application of the provision of the Vaccination Regulation, it is necessary to maintain an up-to-date *Vaccination State Register.*"

7. *Cost of the Department.*—The total cost of the Department excluding the Vaccine Institute, was Rs. 57,910-1-5 against Rs. 42,755-14-0 during 1927.

8. *Vaccine Institute.*—During the year under review, 473 calves were successfully vaccinated and yielded 42,847 grains of pulp equivalent to 428,470 cases. The quantity of vaccine issued was equivalent to 285,230 cases including 31,945 cases issued outside the State. The cost of vaccine supplied was one anna and six pies per case against one anna and two pies during 1927. The income and expenditure during the year were Rs. 25,183-9-0 and Rs. 25,669-7-0 respectively showing an excess of expenditure by Rs. 485-14-0. The increased expenditure during the year was due to a sum of Rs. 7,507-8-0 having been incurred for the improvement and better equipment of the Institute. The amount outstanding on account of the supply of vaccine lymph was Rs. 41,092-15-5. The attention of the Sanitary Commissioner is invited to Government letter No. G. 1664—Sany. 63-26-29, dated the 6th August 1929 in the matter of outstandings and he is requested to arrange to get timely information as to the actual payments of money by Municipalities and others into the Treasury.

9. *General.*—Twenty four candidates for Vaccinator's appointments, two Midwives and five pupil compounders were given training in vaccination in the Vaccine Institute. During the year Mr. J. A. Isvara Murthi, Superintendent in charge of the Vaccine Institute, was deputed to the King Institute of Preventive Medicine, Guindy, Madras, to study the system of lymph production there, and as a result of his recommendations, Government have sanctioned certain proposals for the manufacture of improved vaccine lymph.

10. The working of the Department was on the whole satisfactory and showed increased activities on all sides.
